The musical score consists of four staves, each representing a vocal part: Soprano (S), Alto (A), Tenor (T), and Bass (B). The music is in common time, with a key signature of one flat. The vocal parts sing in unison, with the bass providing harmonic support. The lyrics are taken from the New International Version (NIV) of the Bible, specifically Luke 16:19-31, describing the Rich Man and Lazarus. The score includes dynamic markings such as **f** (fortissimo), **mf** (mezzo-forte), **pp** (pianissimo), and **molto rit.** (molto ritardando). The vocal parts are labeled with their initials (S, A, T, B) above the staves.

Luke 16:19-31 New International Version (NIV): The Rich Man and Lazarus

There was a rich man who was dressed in purple and fine linen and lived in luxury every day. At his gate was laid a beggar named Lazarus, covered with sores and longing to eat what fell from the rich man's table. Even the dogs came and licked his sores.

The time came when the beggar died and the angels carried him to Abraham's side. The rich man also died and was buried.

In Hades, where he was in torment, he looked up and saw Abraham far away, with Lazarus by his side. So he called to him, 'Father Abraham, have pity on me and send Lazarus to dip the tip of his finger in water and cool my tongue, because I am in agony in this fire.'

But Abraham replied, 'Son, remember that in your lifetime you received your good things, while Lazarus received bad things, but now he is comforted here and you are in agony.'

And besides all this, between us and you a great chasm has been set in place, so that those who want to go from here to you cannot, nor can anyone cross over from there to us.'

He answered, 'Then I beg you, father, send Lazarus to my family, for I have five brothers.'

Let him warn them, so that they will not also come to this place of torment.'

Abraham replied, 'They have Moses and the Prophets; let them listen to them.'

'No, father Abraham,' he said, 'but if someone from the dead goes to them, they will repent.'

He said to him, 'If they do not listen to Moses and the Prophets, they will not be convinced even if someone rises from the dead.'"

In the story "Moses and the prophets" represents all of the warnings of scripture as a whole. I have reinterpreted it as the warnings of science. - David Erwin
