

# WARNING

#ChoirsForClimate

Group One sings their section as a 5-part round; after 10 bars, Group Two joins in with their section as a 6-part round. Singers can move between groups as they wish, or sing the whole thing as an 11-part round (omit the last "keep" in bar 10 if doing this). Alternatively, you can keep lower voices as Group One and upper voices as Group Two.
