VERSE 1
(verses slightly slower than choruses)
7
S
A
B
p
mp
sim.
Ah, ah, ah,
Mi-ners risk lives in a deep dark hole, ri-vers run grey with the sludge from coal;
9
ah,
Mil-lions of years of trees and grass burned in a mo-ment and turned to ash,
CHORUS
11
f
ah. Let the sun shine bright and the wind blow high (etc.)
burned in a mo-ment and turned to ash. Let the sun shine bright and the wind blow high (etc.)

VERSE 2
13
S
A
B
p
mp
cresc.
Ah, ah, ah,
Gas bub-bles up from a deep dark well; flar-ing off waste turns the skies to Hell.
15
Oil flows brown in a cost - ly flood; e - v'ry bar-rel is priced in blood,
CHORUS
17
f
ah. Let the sun shine bright and the wind blow high; (etc.)
e - v'ry bar-rel is priced in blood. Let the sun shine bright and the wind blow high; (etc.)

VERSE 3
19
mf
cresc.
S
Bat-tles are fought and bribes are paid; that's how a bil-lion dol-lars are made.
A
mp
Ah, ah, ah
B
mp
Ah, ah, ah
21
S
Bur-ning up fuel that we can't re-store; da-mage is done that we can't ig-nore,
A
ah, ah,
B
ah, ah,
CHORUS
23
f
S
da-mage is done that we can't ig-nore. Let the sun shine bright and the wind blow high (etc.)
A
f
ah. Let the sun shine bright and the wind blow high (etc.)
B
f
ah. Let the sun shine bright and the wind blow high (etc.)

VERSE 4
25
S
A
B
mp
Ah, ah, ah,
mf
dim.
(We) don't need coal and we don't need oil, but we need clean wa-ter and we need clean soil; We
mp
Ah, ah, ah
27
ah, ah,
don't need gas but we need clean air; fos-sil fuel's bu-ried and should stay there,
ah, ah,
CHORUS
29
f
ah. Let the sun shine bright and the wind blow high (etc.)
fos-sil fuel's bur-ied and should stay there. Let the sun shine bright and the wind blow high (etc.)
ah. Let the sun shine bright and the wind blow high (etc.)

VERSE 5
31
p cresc.
S
Ah, ah, ah
A
p cresc.
Ah, ah, ah
B
mp cresc.
Soon the pol-lut-ers will pay the price of the bur-ning fires and the mel-ting ice;
33
S
ah, ah,
A
ah, ah,
B
We'll grow the pow'r of the wind and sun till the age of fos-sil fuel is done, till the
CHORUS
35
f
S
ah. Let the sun shine bright and the wind blow high (etc.)
f
A
ah. Let the sun shine bright and the wind blow high (etc.)
f
B
age of fos-sil fuel is done. Let the sun shine bright and the wind blow high (etc.)
